Images From the 4th College of Veterinary Medicine Photo Contest

Students in USU's College of Veterinary Medicine submitted photographs of their experience in the WIMU Regional Program for a chance to win one of three $25 Amazon gift cards. From paint night with friends to sheep embryo transfer surgery, these pictures capture many aspects of the journey to becoming a veterinarian.
Below are 25 of the best images sent in by students, including the three first-place winners. While these photos are appropriate for a general audience, please be aware that vet school can get messy, and some of them reflect that. **Be sure to click on images to see captions and submitters!**
