Images From the 5th College of Veterinary Medicine Photo Contest

Students in USU'S College of Veterinary Medicine submitted photographs of their experiences to win one of three $25 Amazon gift cards. From surgery and studying to dogsledding and skiing, these pictures capture the WIMU experience at Utah State.

30 of the best images are below, with the winning three at the end. While these photos are appropriate for a general audience, please be aware that vet school can get messy, and some of these pictures reflect that. **Be sure to click on images to see captions and submitters!**
