# Images From the 10th CVM Photo Contest

Students in USU’s College of Veterinary Medicine submitted photographs of their experiences in and out of the classroom to win one of three $25 Amazon gift cards. From working with reindeer to hiking Logan Canyon, these pictures capture life as a vet med student at Utah State.

Below are some of the best pictures we received with the winning three at the end. While these photos are appropriate for a general audience, please be aware that vet school can get messy, and some of these pictures reflect that. **Be sure to click on an image to enter slideshow mode and see captions and full-size pictures!**
