Images From the 8th College of Veterinary Medicine Photo Contest

Students in USU's College of Veterinary Medicine submitted photographs of their experiences in and out of the classroom to win one of three $25 Amazon gift cards. From performing sheep embryo transfers to working with reindeer to celebrating Halloween, these pictures capture life as a vet med student at Utah State.

Below are 50 of the pictures we received with the winning three at the end. While these photos are appropriate for a general audience, please be aware that vet school can get messy, and some of these pictures reflect that. **Be sure to click on an image to enter slideshow mode and see captions and full-size pictures!**
