
Images From the 3rd SVM Photo Contest

04/13/2022

For the final photo contest of the semester, Utah State University School of Veterinary Medicine students submitted more than 100 photographs that show all aspects of their journey toward becoming veterinarians. Surgeries, academic conferences, national park adventures, and of course yaks are just some of the subjects in these images.

Below are 20 of the best pictures, including the first-place winner, who received a \$25 Amazon gift card. While these images are appropriate for a general audience, please be aware that vet school can get messy, and some of these pictures reflect that.
